Twitter spam  
So much spam!

## Park Committee Report:

Trail fairy winter reports done  
Spring reports to be done soon  
Ross to investigate an online survey option to complete trail fairy reports

## NIAS Report:

See Attached

## General business

### Tree Planting - JB

It appears that we have been successful in obtaining 100 trees via TRC including guards, mulch, maybe holes dug. I have attached a proposed plan as to where they could be planted. Secondly, I had emailed you all of my proposal to locate the old tractor tyres along the LHS driveway - bottom section, to enable trees to be planted within them using suitable soil from stockpile near front entrance.

Justin Roberts has submitted a quote for 2 new seats for the walking trail.

### Membership - JB

With the impact of covid on our racing, several of our regular members have not renewed their membership. I would suggest that our Committee undertakes a concerted advertisement/promotional campaign in an attempt to increase our race membership to co-inside with our commencement of Twilight racing.

To this end, I had previously emailed you all regarding the use of The Active Kids Voucher \$100 and the 4 week free trial. With the Active Kids Vr, I made a suggestion that we offer to renew the Under 12 riders and allow them one or two term race fee payment.

### New Projects

#### New pump track/new projects

Jeff has spoken to Terrain trails constructions who did Wodonga about a new pump track.  
Jeff to speak to Port Macquarie club about the process undertaken for the grant process  
Jeff to speak to Peter Hosking at NEMTB about grants process

#### Carpark and main gate relocation

Relocate main gate to allow gates to enter, electronic gate entry, resurface car park

### Twilight racing plan

Back to racing Wednesday 27<sup>th</sup> Oct. First Wednesday after 80% prediction opening.

Alyssa to write a publicity post for FB etc

Current membership, vax cert required by participants.

Ross to make a race plan

Ross to speak to Alyssa about organising Mel for assistance

Tier 1 race event - LB

Look into a running a tier 1 race in the future.

## Next meeting

Our next meeting will be held at the Tamworth Hotel at 7pm on Monday 1st November, 2021

## Meeting close

Meeting closed at 830pm

---

President

---

Date of approval

## NIAS Update

NIAS activities were suspended due to COVID restrictions.

A small series of training rides were organised for weekends before the Awards Night.

A trail recognition ride was held at TAMMTB helping athletes improve their climbing and descending techniques.

A gravel ride was held on the 09Oct from Woolbrook to Limbri with three athletes and three coaches attending.

There is a ride planned for TAMMTB on the 16Oct. With the increase of COVID cases recently in Tamworth, the situation is being monitored in relation to conducting activities with a risk as low as reasonably practicable (LARP).

Once community-sport restrictions ease athletes will be encouraged to attend their local club events, while considering the out-of-region events.
