Secretary's Report.

Nothing to report due to secretary being away this meeting.

NIAS Report.

Active participation of the NIAS students in the NIXC series and other events which they have been able to get to. Some great bonding can be seen in the NIAS group.

General business

1. TAMMTB 3 hour evening race (22nd October)
Plan confirmation / concerns / ideas.
Committee to run a 3+ hours.
5pm start time with 8pm (dark) cut off to start the last lap.
Will run 2 race categories – >3 hours
Set up entryboss – will have Junior teams which will allow U15s to ride until dark.
2. Grant Opportunities x 2 from office of Sport
- Facilities grant 50k-300k
Grant application window is narrow, and we do not have an adequate plan to apply before the Grant closes.

- Participation assistance – up to 2k, 5k or 15k (depending on purpose)

Jeff Benson and Alyssa Rogan will discuss further (from previous Grant application) and consider disable access gate installation.

3. NSW XCO and XC series opportunities.

Clarity on difference between below 3 emails?

NSW XCO State
Series 2023 - Potentia

RE_ NSW State XCO
Champs 2023.msg

FW_ NSW MTB XC
Series.msg

- Auscycling Keen to see XCO state series to proceed – contact to our club has been made by Auscycling, but follow up to be completed.
- XC Series opportunity for TAMMTB to host a marathon XC event as part of a wider series. Race duration would be ~4 hour race. Example calibre of events
TAMMTB would run a 4 hour event on a Saturday. This would be combined with Jason English schools event on the day prior, and a White Lightning enduro event on Sunday.
Next actions would be to clarify commitment required from the club.

Last Minute Business:

- Park security discussions.
- First Aid Kit
Will ask Jane Ms Butters to review first aid kit.
- After-race twilight meal will be provided.
Jeff will do BBQ for gold coin donation
- Alyssa wishes to express “Thanks” to Compass Allied Health for their commitment to the Adaptive Cycling information session which was conducted in September.
